Dear Jack,

Pat and I want to thank you and Mary Jane again for your warm and generous hospitality Thursday night at The Homestead. We both thoroughly enjoyed the dinner and particularly the chance to be with you and your friends. It was a stimulating group and a very pleasant evening in every way.

We look forward to seeing you there again next spring or perhaps even before. I have some tentative plans to come to St. Louis early next year, and if so I will be in touch and hope we can get together.

Again, thanks and very best wishes to both of you.

Yours,

STANSFIELD TURNER
